

U-Pick Season at the Webb Ranch Berry Fields

LAST DAY - ONE DAY ONLY, SUNDAY JULY 31

2011

This year, our U-Pick season began June 17, 2011. We will continue the season as long as the berries last and the weather is good. We planted 6,000 organic berries in 2008/09 and they are ready for your enjoyment at U-Pick. Bring all your little 'berry pickers' and we supply the boxes, wagons and tips for picking.
